MASTER OF FINANCE (MFIN)

Program Director: Dr. Randy Jorgensen
Program Office: Harper Center

Graduate Study in Finance

The Master of Finance (MFIN) program, which consists of 33 hours (11 classes) of graduate credit beyond the foundation, is designed for students who are interested in graduate studies in Finance. The program allows for advanced study of both corporate finance and investments while also providing for the study of managerial topics essential to the working finance professional. The MFIN degree is ideal for students who want to focus more of their studies in finance than they could if they pursued an MBA degree with a concentration in finance. It is also appropriate for students who do not desire the depth in investments provided by the Master of Investment Management and Financial Analysis (MIMFA) degree.

Program Goals

1. Exhibit disciplinary knowledge and behavior essential in financial management.
2. Think critically to aid decision-making.
3. Commit to action that demonstrates care for others.
4. Exhibit personal habits consistent with personal formation.
