

ORAL BIOLOGY, ANATOMICAL SCIENCE - M.S.

Oral Biology: Anatomical Science track course requirements (35 credits):

Code	Title	Credits
MOB 509	General Gross Anatomy	4
MOB 510	Histology	3
MOB 511	Special Problems in Oral Biology	1
MOB 512	Head and Neck Anatomy/Teaching Techniques	3
MOB 513	Oral Histology and Embryology	3
MOB 514	Introduction to Biostatistics and Its Applications	2
MOB 515	Special Problems Oral Biology II	1
MOB 607	Teaching Practicum In General Gross Anatomy	3
MOB 608	Teaching Practicum in Histology	1
MOB 610	Teaching Practicum in Head & Neck Anatomy	3
MOB 611	Teaching Practicum in Oral Histology & Embryology	1
MOB 612	Special Problems in Oral Biology IV	1
MOB 700	Research for the Master's Thesis	9
Total Credits		35
