ACADEMIC DISMISSAL

A student will be immediately and automatically dismissed from the program upon the occurrence of any one of the following events:

1. The student receives a second failing (F, WF, AF) or unsatisfactory (UN) grade in any required or elective course of the curriculum, regardless of the semester in which the failing grades were earned, and/or whether the previously failed course has been repeated for a passing grade.
2. The student earns a semester grade-point average of less than 2.00 for a third time, regardless of whether any courses have subsequently been repeated for higher grades.
3. The student receives a fourth grade of D in any required or elective course of the curriculum, regardless of the semester in which the D grades were earned.
4. The student is officially notified of a third academic probationary event.

Academic dismissal means the student is immediately and automatically terminated from the program upon receipt of the Office of Academic and Student Affairs of written documentation of final grade(s) and/or a dismissal-precipitating probationary event resulting from sanction of unprofessional behaviors from the course or program faculty. The Assistant/Associate Dean for Academic Affairs shall promptly notify all dismissed students of their status. A dismissed student who believes s/he has grounds for a grade appeal must pursue that appeal before seeking reinstatement or s/he forfeits the right to appeal the grade.

Students appealing a grade have the right to attend classes or clinical rotations, participate at assigned clinical education sites and exercise the privileges of all other School students pending the outcome of the appeal, except in cases where there are reasons relating to the physical or emotional welfare of the student or of others, or reasons involving the safety of persons or property. The decision on student status will be made by the Assistant/Associate Dean for Academic Affairs. A dismissed student who wishes to be considered for reinstatement must pursue that appeal before seeking reinstatement or s/he forfeits the right to appeal the grade.

Responsibilities of the Dismissed Student

1. Adhering to all timelines for initiating reinstatement appeals.
2. Preparing written and oral statements of appeal in consultation with the academic advisor.
3. Submitting a written statement of appeal to the Pharmacy Reinstatement Appeals Committee or the Occupational Therapy or Physical Therapy program faculty via the Assistant/Associate Dean for Academic Affairs no later than three working days before his/her scheduled hearing.
4. Presenting his/her oral statement of appeal to the Pharmacy Reinstatement Appeals Committee or the Occupational Therapy or Physical Therapy program faculty.

Responsibilities of the Assistant/Associate Dean for Academic Affairs or His/Her Designee

1. Providing written notification of dismissal to the student and to the Office of the Senior Associate Dean.
2. Copying and disseminating pertinent documents from the dismissed student’s academic record, including all Corrective Action Plans, correspondence from the Academic Review and Support Advisory Committee, and the student’s written statement of appeal, to the appropriate faculty in a confidential and timely manner.

Pharmacy Reinstatement Appeals Committee

The Pharmacy Reinstatement Appeals Committee shall be a standing committee of the Pharmacy program. The Committee shall be comprised of six members and four alternate members, all of whom must have at least three years of Creighton pharmacy faculty experience. Committee members and alternates shall be recommended for service by both Department Chairs and appointed by the Dean in a staggered fashion.

Each department shall be represented by three Committee members. Two alternate Committee members from each Department shall also be appointed. Two consecutive terms are permitted for Committee members. The four-year terms of all appointments shall be staggered, with new or returning members being appointed every two years. To honor the mandate of staggered appointments, the initial appointment of two members and one alternate from each department shall be four years in length while the appointment of one member and one alternate from each department shall be two years in length. The Senior Associate Dean or designee appointed by the Dean will chair the Committee as a non-voting member. Six members shall constitute a quorum. Votes on all motions shall be by secret paper ballot. Any member of the Committee who serves as an academic advisor for an appealing student must recuse himself/herself from all Committee deliberations on that cycle of appeals.

Votes on all motions shall be by secret paper ballot. Any member of the Committee who serves as an academic advisor for an appealing student must recuse himself/herself from all Committee deliberations on that cycle of appeals.
3. Serving as a resource for the dismissed student seeking reinstatement.

4. Informing students verbally and in writing of the outcome of their reinstatement appeal, including any binding conditions and recommendations of the Pharmacy Reinstatement Appeals Committee or the Occupational Therapy or Physical Therapy program faculty (see below).

5. Constructing the program of study for reinstated students, including any binding conditions of the Pharmacy Reinstatement Appeals Committee or the Occupational Therapy or Physical Therapy program faculty. No element of the program of study may be in conflict with a decision officially rendered by the Pharmacy Reinstatement Appeals Committee or the Occupational Therapy or Physical Therapy program faculty.

Responsibilities of the Senior Associate Dean or His/Her Designee

1. Arranging the date, time and place of the hearing and communicating hearing logistics to the dismissed student, the appropriate faculty, and the Office of the Academic and Student Affairs.

2. Securing any needed communications equipment (e.g., speaker telephone, technical support).

3. Securing any data, statements, or information requested by the Pharmacy Reinstatement Appeals Committee or the Occupational Therapy or Physical Therapy program faculty.

4. Presiding at the reinstatement hearing.

5. Documenting the outcome of the reinstatement hearing through the preparation of minutes.

6. Disseminating hearing minutes to the program faculty, the Assistant/Associate Dean for Academic Affairs, and the Dean.

Responsibilities of the Pharmacy Reinstatement Appeals Committee and Occupational Therapy and Physical Therapy Program Faculty

1. Reviewing pertinent elements of the dismissed student’s academic record as provided by the Assistant/Associate Dean for Academic Affairs, the student’s written statement of appeal, and any supporting document provided by the student, faculty colleagues, or School administrators.

2. Receiving verbal reports from academic administrators, academic success counselors, the student’s academic advisor, and others as deemed necessary.

3. Hearing the dismissed student’s oral statement of appeal and asking pertinent or clarifying questions.

4. Requesting any additional information needed to make an informed reinstatement decision.

5. Voting on any forthcoming motion to reinstate the dismissed student. A simple majority is required for the motion to pass. If no motion to reinstate comes forward, the student remains dismissed.

6. When warranted, imposing binding conditions related to the program of study on the reinstated student. Faculty hearing reinstatement appeals may also recommend that the reinstated student seek personal counseling and/or other health care related services. Based on privacy and autonomy issues, as well as the need for students to assume responsibility for their academic performance, these recommendations will not be binding unless it can be reasonably predicted that failure to heed them would result in harm to the student or others.

Administrative Appeal

The dismissed student who is denied reinstatement by the Pharmacy Reinstatement Appeals Committee or the Occupational Therapy or Physical Therapy program faculty has the right to appeal to the Dean of the School of Pharmacy and Health Professions, and the Provost, in that order. The timeline for initiating these appeals is outlined in Appendix B (please access Appendix B in the electronic version of the policy, located in the Office of Academic and Student Affairs website). The University administrators identified in Appendix B shall only recommend a change in the decision made by these bodies if the decision is arbitrary, capricious, clearly un-substantiated or in violation of other School or University policies. If allowed by the Readmission Policy, dismissed students who do not seek or are denied reinstatement may apply for readmission through the regular admissions process no earlier than one calendar year from the date of dismissal.

Any student reinstated by the School of Pharmacy and Health Professions program faculty or their representative Committee, the Dean as set forth above or in Appendix B (please access Appendix B in the electronic version of the policy, located in the Office of Academic and Student Affairs website) will be subject to immediate academic dismissal effective upon the occurrence of any additional probationary event. The student’s past academic history will be considered when determining if a probationary event is warranted.

Students dismissed for a second time will not be allowed to appeal to the Pharmacy Reinstatement Appeals Committee (Pharmacy) or the program faculty (Occupational Therapy and Physical Therapy), Dean, or University administrator for reinstatement nor are they permitted to reapply to the program.

Failure to comply with any part of this process on the part of the student will result in forfeiture of all rights of appeal as outlined.

The School reserves the right to modify, deviate from, or make exceptions to this policy at any time, and to apply any such modification, or make any such deviation or exception applicable to any student without regard to date of application, admission, or enrollment. This policy is neither a contract nor an offer to enter into a contract. Each student is responsible for knowledge of the School’s policies, as well as for changes promulgated by the School as addenda to policies and, by virtue of their enrollment in the School, agrees to be bound by the terms of these policies. This policy supersedes all previous versions of the Scholastic Standing Policy. Any changes which are made in the University’s Student Handbook will automatically be incorporated into this policy.
