

APPLICATION PROCEDURES

- Apply for admission to Creighton's School of Pharmacy and Health Professions. No financial aid commitment can be made until a student is accepted for admission.
- Complete the Free Application for Federal Student Aid (<https://studentaid.gov/h/apply-for-aid/fafsa/>) (FAFSA) starting October 1 preceding the fall semester a student plans to enroll. Creighton's school code is 002542. Copies of tax returns may be required, and should be submitted via Jaydrop (<https://jaydrop.creighton.edu/filedrop/FinancialAid/>) (a secure site) to the Financial Aid Office if requested.
- Incoming students will receive a Financial Aid offer email notification listing the types and amounts of financial aid they qualify to receive. Instructions will be included in the email to accept the aid offer on-line and complete the required promissory note(s). Returning students will receive an email notification when their aid offer is available.

It is recommended that students complete the FAFSA by April 1st preceding the fall semester in which one plans to enroll. However, no student will be considered for or granted financial aid until that student is accepted by the University for admission and/or is in good standing with the University.
