

EMPLOYMENT

Employment and Internships

The Career Center maintains contacts for internships, part-time and full-time jobs in the Omaha metropolitan area, as well as opportunities nationwide. Students may use this office to secure jobs through the use of Handshake. A complete job search and resume service is available to all students upon request. Alumni are entitled to the same services as currently enrolled students. The Career Center is located in the Harper Center, Suite 1088.

Career Fair

Each fall the School of Pharmacy and Health Professions hosts a Career Fair to which current students and alumni from the Occupational Therapy, Pharmacy, Physical Therapy and Nursing programs are invited. The Career Fair offers an opportunity to network with employers, volunteer agencies and graduate and professional schools which help students and alumni explore possible or new career paths for the future. Details about the Career Fair are continually updated on the website of the Office of Academic and Student Affairs.
