

GRADUATION RATES

Creighton University is pleased to provide information regarding our institution's graduation/completion rates, in compliance with the Higher Education Act of 1965, as amended. To request this graduation rate information, please contact the University Registrar at 402.280.2702 or registrar@creighton.edu.

The School of Pharmacy and Health Professions at Creighton University reports graduation rates for each program based on attrition information.

Students entering the Doctor of Physical Therapy program between the years of 2018-2020, with the 2020 entering class graduating in May 2023, averaged a graduation rate of approximately 100 percent. The Doctor of Physical Therapy program in Phoenix, AZ will not have graduation rates to report until May 2024.
