

TUITION AND FEES - SCHOOL OF PHARMACY AND HEALTH PROFESSIONS

Entry-Level Students

Students are responsible for full-time tuition for all semesters in which they are enrolled and completing required didactic or clinical course work. Tuition for entry-level students is assessed for each semester of required study (including summers) on a flat-rate basis. If a student is permitted to take fewer than the number of semester credit hours prescribed by the curriculum for a given term, he/she will be required to pay the full semester's tuition. No student will be allowed to pay tuition on a per-credit-hour basis without the written permission of the Assistant/Associate Dean in the Office of Academic and Student Affairs.⁴ Only in unusual circumstances will part-time status be approved by the Assistant/Associate Dean in the Office of Academic and Student Affairs.

Tuition and fees and board and room charges are payable in advance for an entire semester or summer session¹ (see Financial Arrangements (<http://catalog.creighton.edu/pharmacy-health-professions/tuition-fees/financial-arrangements/>)). All rates are subject to change without notice.
