

BSBA-ACC/MAC ACCELERATED PROGRAM

BSBA-Accounting / Master of Accounting

The BSBA to Master of Accountancy (MAC) Accelerated program is designed to allow highly motivated students to complete both the undergraduate degree in accounting and the master of accountancy degree in four years. Many students matriculate to Creighton with advanced placement and dual credit courses, ranging in total from 10 - 50 hours of credit. These students have greater flexibility in their course schedules, and accordingly have availability to complete master's-level courses during their fourth year at Creighton. The Accelerated MAC program allows students to meet the mandated educational requirements to sit for the CPA exam while earning a graduate degree. The curriculum in the Accelerated MAC program will mirror the curriculum in Creighton's existing (traditional) MAC program.

Students in the BSBA to MAC Accelerated program will enroll in 30 graduate credit hours, generally during their final two semesters as a BSBA undergraduate within the MAC program. (For illustrative purposes, the table below provides an example of the timing of these courses.)
