HEIDER COLLEGE OF BUSINESS

AACSB Accreditation
The undergraduate program of the Heider College of Business is fully accredited by the Association to Advance Collegiate Schools of Business (AACSB International). This association is recognized by the National Commission on Accrediting as the highest official accrediting agency in collegiate education for business at the undergraduate, masters, and doctoral levels. Membership in the AACSB is open only to schools and colleges whose intellectual climate ensures the offering of programs of high academic quality and whose teaching and administrative staff possess the qualifications, experience, professional interests, and scholarly productivity essential for the successful conduct of a broad and liberal, rather than unduly specialized, baccalaureate curriculum in business administration.

BSBA Heider Mindset Curriculum
The Heider Mindset Curriculum is a state-of-the-art, yet timeless, curriculum that focuses on development of six mindsets that are essential for the future of business practice: Analytical, Cross-Cultural, Collaborative, Action, Service, and Reflective. As students develop these mindsets, they will acquire the knowledge, skills, and dispositions needed to successfully adapt to an ever-changing business world over a career and lifetime.

Program Learning Goals & Student Learning Outcomes
As guided by our mission and identity statements, the program learning goals (PLGs) and student learning outcomes (SLOs) below are written to reflect our beliefs about the attributes of business leaders who exemplify the Jesuit ideals and the Heider Mindsets.

Creighton-formed business leaders will:

PLG 1. Exhibit personal habits consistent with leadership formation.
SLO 1A. Exhibit knowledge essential for business practice.
SLO 1B. Demonstrate essential knowledge in each functional business area.

PLG 2. Develop the skills to engage professionally with others.
SLO 2A. Develop effective communication in written, oral, and visual formats.
SLO 2B. Demonstrate knowledge of strategies to work effectively with others regardless of race, ethnicity, culture, gender, religion, and sexual orientation.

PLG 3. Think critically to aid decision-making.
SLO 3A. Analyze a business situation and propose a course of action.
SLO 3B. Use a software tool to analyze quantitative data and interpret the results.

PLG 4. Commit to action that demonstrates care for others.
SLO 4A. Analyze a business ethics situation and propose a course of action.
SLO 4B. Engage in and reflect on experiences aimed at promoting justice for the poor and marginalized.

PLG 5. Analyze a business ethics situation and propose a course of action.
SLO 5A. Reflect on and articulate personal and professional formation.

BSBA Degree Requirements and Curriculum
The University will confer the degree of Bachelor of Science in Business Administration (BSBA) on students who successfully complete all of the following requirements of the Heider Mindset Curriculum: Magis Common Core and Heider Business Core Curricula, a Heider Major, and Electives. In addition, a candidate for a degree must:

- Complete requirements for a Heider College major, achieving a grade point average (GPA) of 2.00 or above for all required courses in a major
- Complete BUS 471 Strategic Management with a grade of "C" or better
- Earn a minimum of 128 credit hours, including:
  - 48 credit hours in courses numbered 300 or above
  - 48 credit hours earned at Creighton, including the final 32
  - 32 credit hours of business coursework earned at Creighton
- Achieve overall cumulative GPA of 2.00 or above

To reach the minimum 128 credit hours in four years, a student must average successful completion of 16 credit hours per semester. Normally, students must register for not less than 12 credit hours nor more than 18 credit hours in each semester. The privilege of carrying more than 18 credit hours is contingent upon the student's grade point average, and is subject to additional tuition charges.

Approval of the faculty advisor and the Dean is required for semester study abroad programs, including electives taken while abroad to be counted toward graduation.

BSBA Heider Mindset Curriculum - Overview
The Heider Mindset Curriculum is a state-of-the-art, yet timeless, curriculum that focuses on development of six mindsets that are essential for the future of business practice: Analytical, Cross-Cultural, Collaborative, Action, Service, and Reflective. As students develop these mindsets, they will acquire the knowledge, skills, and dispositions needed to successfully adapt to an ever-changing business world over a career and lifetime.

The BSBA Heider Mindset Curriculum requires students to complete the Magis Common Core, Heider Business Core, a Heider Major, and Electives, as needed, to reach the minimum of 128 credit hours. Students may use electives to complete an academic minor and/or a second major.

Magis Common Core
The Magis Common Core serves as the cornerstone of Creighton University education, laying a shared foundation for all undergraduate students. Heider students typically complete Magis Foundations and Magis Explorations courses in their first and second years. The Magis Common Core also requires a series of Designated courses, which are embedded in the Heider Business Core and provide business-specific treatment of Ethics, Oral Communication, Written Communications, Statistical Reasoning, and Technology.
**Heider Business Core**

The Heider Business Core requires students to complete a common set of courses across a wide variety of business topics, disciplines, and functional areas. Lower Division courses cover accounting, economics, business law, information systems, and organizational behavior. Upper Division courses cover finance, marketing, production and operations management, business ethics, and leadership. BUS 471 Strategic Management is a capstone course for all Heider students.

Students are also required to complete General courses in the Heider Business Core, including business writing skills, presentation skills, statistics, and analytics.

A unique feature of the Heider Business Core is the required Kingfisher Concentration, named after Creighton's Kingfisher Institute, whose vision is that “liberal arts and professional education complement and reinforce one another.” The purpose is to encourage students to find an area of depth that supports growth in at least one mindset, allows personalization of liberal arts coursework, and complements a student's choice of major. Students must complete a Kingfisher Concentration comprised of at least nine credit hours (typically three courses) drawn from an academic minor or another approved area of concentration in the College of Arts & Sciences. When choosing a Kingfisher Concentration, students are encouraged to seek guidance from their academic advisor. Information on available Kingfisher Concentrations offered by the College of Art & Sciences may be accessed here (http://catalog.creighton.edu/undergraduate/arts-sciences/#minorstext).

**Heider Major**

Students in the Heider College pursuing the BSBA must complete an academic major in one of the following fields of concentration: Accounting, Business Intelligence & Analytics, Economics, Finance, Finance & Technology, Management, Marketing, or International Business.

It is recommended that students select a major by the end of the first semester of their junior year. A major must be officially declared prior to the student’s final semester. Some majors require departmental approval and have acceptance requirements that differ from general graduation requirements. For specific requirements, refer to the major page.

**Electives**

As needed, students will complete electives to reach the minimum of 128 credit hours required for graduation. With careful planning, students may use these electives to complete a second Heider major. Heider students may also complete a second major in the College of Arts & Sciences (A&S). The second major in A&S is in addition to the BSBA degree; students do not, however, receive a BA or BS degree from the College of Arts and Sciences.

Students may also complete electives that fulfill requirements for an academic minor. Indeed, completion of the Kingfisher Concentration often fulfills half of the necessary coursework required for a minor in the College of Arts & Sciences.

</table>

1. All Heider students are strongly encouraged to complete a Philosophical Ethics course (PHL 270 Philosophical Ethics, PHL 271 Philosophical Ethics: Cortina Community, or PHL 272 Philosophical Ethics: Poverty) because any of these courses fulfill both the Magis Common Core: Ethics requirements and the prerequisite for BUS 356 Business Ethics. Courses in Theological Ethics (i.e., THL 27X) do not fulfill the prerequisite for BUS 356 Business Ethics.

2. All Heider students are required to complete CSC 121 Computers and Scientific Thinking to fulfill the Magis Common Core: Understanding Natural Science Requirement.

3. All Heider students are required to complete PSY 201 Introductory Psychology to fulfill the Magis Common Core: Understanding Social Science requirement.

4. Students pursuing the BSBA Heider Mindset Curriculum must complete a "Kingfisher Concentration" (KC) comprised of at least nine credit hours (typically three courses) drawn from an academic minor or another approved area of concentration in the College of Arts & Sciences (A&S). Heider students are required to declare a KC and are strongly encouraged to do so prior to the end of the first semester of their junior year. Students must declare a KC prior to filing the Application for Degree in the spring of their senior year or in their final semester. Where applicable, students may double-count Magis Common Core courses toward their KC. In turn, students may count KC courses toward completion of a Heider major, A&S major, or A&S minor. Students may apply no more than one course taken outside of Creighton toward a KC.

5. For the Global and Cross-Cultural business requirement, select among ACC 538 International Accounting, ECO 528 International Economic Development, FIN 558 International Financial Management, MKT 363 Global Marketing, ECO 518 Comparative Economic Systems, ECO 538 International Economics, MGT 373 International Management. If applicable, students may apply their Cross-Cultural Business course to their Heider Major. No other courses from the Heider Business Core – Upper Division or Heider Business Core – Lower Division may be applied toward a Heider Major.

**BSBA Heider Mindset Curriculum - Sample Plan of Study**

Outlined here is a sample of a program that a typical student follows during the freshman and sophomore years. Bear in mind that each student’s actual plan will vary based on their unique circumstances.

The program for the junior and senior years will depend heavily on a student’s choice of Heider major and whether or not a student pursues an additional major or minor.

The Heider College of Business Dean’s Office has available curriculum checklists for all majors. Junior and senior year course planning requires an understanding of degree requirements and attention to the Schedule of Courses and Catalog.

Academic advising is performed by faculty members and department chairs in the Heider College of Business. During a student’s freshman year, students are assigned to faculty advisors through the RSP. Later, students are reassigned to advisors within the respective discipline when a major field of concentration has been declared. Advisors serve as facilitators of communication, perform academic progress reviews, assist students in career planning, and offer mentoring. Frequent advisor contact will help ensure students have current academic information and are making adequate progress toward educational and professional goals.

The University will confer the degree of Bachelor of Science in Business Administration (BSBA) on students who successfully complete all of the following requirements of the Heider Mindset Curriculum: Magis Common Core and Heider Business Core Curricula, a Heider Major, and Electives. In addition, a candidate for a degree must:

- Complete requirements for a Heider College major, achieving a grade point average (GPA) of 2.00 or above for all required courses in a major
- Complete BUS 471 Strategic Management with a grade of “C” or better
- Earn a minimum of 128 credit hours, including:
  - 48 credit hours in courses numbered 300 or above
  - 48 credit hours earned at Creighton, including the final 32
  - 32 credit hours of business coursework earned at Creighton
- Achieve overall cumulative GPA of 2.00 or above

To reach the minimum 128 credit hours in four years, a student must average successful completion of 16 credit hours per semester. Normally, students must register for not less than 12 credit hours nor more than 18 credit hours in each semester. The privilege of carrying more than 18 credit hours is contingent upon the student’s grade point average, requires written approval of the Dean, and is subject to additional tuition charges.

Approval of the faculty advisor and the Dean is required for semester study abroad programs, including electives taken while abroad to be counted toward graduation.

### BSBA Heider Mindset Curriculum – Overview

The Heider Mindset Curriculum is a state-of-the-art, yet timeless, curriculum that focuses on development of six mindsets that are essential for the future of business practice: Analytical, Cross-Cultural, Collaborative, Action, Service, and Reflective. As students develop these mindsets, they will acquire the knowledge, skills, and dispositions needed to successfully adapt to an ever-changing business world over a career and lifetime.

The BSBA Heider Mindset Curriculum requires students to complete the Magis Common Core, Heider Business Core, a Heider Major, and Electives, as needed, to reach the minimum of 128 credit hours. Students may use electives to complete an academic minor and/or a second major.

### Magis Common Core

The Magis Common Core serves as the cornerstone of Creighton University education, laying a shared foundation for all undergraduate students. Heider students typically complete Magis Foundations and Magis Explorations courses in their first and second years. The Magis Common Core also requires a series of Designated courses, which are embedded in the Heider Business Core and provide business-specific treatment of Ethics, Oral Communication, Written Communications, Statistical Reasoning, and Technology.

### Heider Business Core

The Heider Business Core requires students to complete a common set of courses across a wide variety of business topics, disciplines, and functional areas. Lower Division courses cover accounting, economics, business law, information systems, and organizational behavior. Upper Division courses cover finance, marketing, production and operations...
management, business ethics, and leadership. BUS 471 Strategic Management is a capstone course for all Heider students.

Students are also required to complete General courses in the Heider Business Core, including business writing skills, presentation skills, statistics, and analytics.

Students pursuing the BSBA with Pre-Health Sciences focus are not required to complete a Kingfisher Concentration.

Heider Major

Students in the Heider College pursuing the BSBA must complete an academic major in one of the following fields of concentration: Accounting, Business Intelligence & Analytics, Economics, Finance, Finance & Technology, Management, Marketing, or International Business.

It is recommended that students select a major by the end of the first semester of their junior year. A major must be officially declared prior to the student's final semester. Some majors require departmental approval and have acceptance requirements that differ from general graduation requirements. For specific requirements, refer to the major page.

Electives

Unique to the BSBA with Pre-Health Sciences path, students will complete Pre-Health Sciences electives shown in the "Requirements Detail" table. Combined with other BSBA requirements, these electives often take a student to and beyond the minimum of 128 credit hours needed for graduation.

Juris Doctor (JD) in a total of six years. Specifically, business students can pursue a Bachelor of Science in Business Administration (BSBA) degree while also completing your law degree requirements.

This unique program allows you to earn your Bachelor of Science in Business Administration (BSBA) degree while also completing your Juris Doctor (JD) degree requirements. In doing so, you can graduate with both degrees in a total of six years.

### Degree Requirements

#### BSBA Degree Requirements and Curriculum for Students Pursuing the 3-3 Pre-Law Program

This unique program allows you to earn your Bachelor of Science in Business Administration (BSBA) degree while also completing your Juris Doctor (JD) in a total of six years. Specifically, business students can pursue a BSBA degree while also preparing for law school.

1. **All Heider students are strongly encouraged to complete a Philosophical Ethics course:** PHL 270 Philosophical Ethics, PHL 271 Philosophical Ethics: Cortina Community, or PHL 272 Philosophical Ethics: Poverty. These courses fulfill the Magis Common Core: Understanding Natural Science requirement.

2. **All Heider students are required to complete CSC 121 Computers and Scientific Thinking:** to fulfill the Magis Common Core: Understanding Social Science requirement.

3. **All Heider students are required to complete PSY 201 Introductory Psychology:** to fulfill the Magis Common Core: Understanding Social Science requirement.

4. **For the Global and Cross-Cultural Business requirement:** select among ACC 538 International Accounting, ECO 528 International Economic Development, FIN 558 International Financial Management, MKT 363 Global Marketing, ECO 518 Comparative Economic Systems, ECO 538 International Economics, or MGT 373 International Management. If applicable, students may apply their Cross-Cultural Business course to the Heider Major. No other courses from the Heider Business Core – Upper Division or Heider Business Core – Lower Division may be applied toward a Heider Major.

**Total Credits Required for Graduation with GPA of 2.00 or above:** 128 credits

1. All Heider students are strongly encouraged to complete a Philosophical Ethics course (PHL 270 Philosophical Ethics, PHL 271 Philosophical Ethics: Cortina Community, or PHL 272 Philosophical Ethics: Poverty) because any of these courses fulfill both the Magis Common Core: Ethics requirement and the prerequisite for BUS 356 Business Ethics. Courses in Theological Ethics (i.e., THL 27X) do not fulfill the prerequisite for BUS 356.

2. All Heider students are required to complete CSC 121 Computers and Scientific Thinking to fulfill the Magis Common Core: Understanding Natural Science requirement.

3. All Heider students are required to complete PSY 201 Introductory Psychology to fulfill the Magis Common Core: Understanding Social Science requirement.

4. For the Global and Cross-Cultural Business requirement, select among ACC 538 International Accounting, ECO 528 International Economic Development, FIN 558 International Financial Management, MKT 363 Global Marketing, ECO 518 Comparative Economic Systems, ECO 538 International Economics, or MGT 373 International Management. If applicable, students may apply their Cross-Cultural Business course to their Heider Major. No other courses from the Heider Business Core – Upper Division or Heider Business Core – Lower Division may be applied toward a Heider Major.

#### General Pre-Law Considerations

The Creighton University School of Law will consider for admission applicants who have completed at least three-fourths (i.e., 96 credit hours) of the college work required for the BSBA degree in the Heider College of Business.

There are no specifically required pre-legal subjects; but not more than 10 percent of the undergraduate credits presented may be in non-theory courses such as basic military science, hygiene, domestic arts, physical education, or similar courses.

In considering applicants for admission, consideration is given to the results of the Law School Admission Test (LSAT), the applicant's college record, and other pertinent information.

#### Degree Requirements

The university will confer the degree of Bachelor of Science in Business Administration (BSBA) with a Pre-Law Business Major on students who successfully complete all of the following requirements of the Heider Mindset Curriculum (Magis Common Core, Heider Business Core, and Electives) and the first-year curriculum in the School of Law. In addition, a candidate for a degree must:

- Earn a minimum of 96 credit hours prior to matriculating to the Creighton University School of Law
- Complete BUS 471 Strategic Management with a grade of “C” or better
- Earn a minimum of 32 credit hours, with at least a “C” average, in the first full year of the Creighton University School of Law
- Earn a minimum of 128 total credit hours, including:
  - 48 undergraduate credit hours earned at Creighton
  - 48 total credit hours in courses numbered 300 or above
- Achieve overall cumulative GPA of 2.00 or above

To reach the minimum 96 credit hours prior to matriculating to the School of Law, a student must average successful completion of 16 credit hours per semester. Normally, students must register for not less than 12 credit hours nor more than 18 credit hours in each semester. The privilege of carrying more than 18 credit hours is contingent upon the student’s grade point average, requires written approval of the Dean, and is subject to additional tuition charges.

Approval of the faculty advisor and the Dean is required for semester study abroad programs, including electives taken while abroad to be counted toward graduation.

#### BSBA Heider Mindset Curriculum - Overview

The Heider Mindset Curriculum is a state-of-the-art, yet timeless, curriculum that focuses on development of six mindsets that are essential for the future of business practice: Analytical, Cross-Cultural, Collaborative, Action, Service, and Reflective. As students develop these mindsets, they will acquire the knowledge, skills, and dispositions needed to successfully adapt to an ever-changing business world over a career and lifetime.

The BSBA Heider Mindset Curriculum normally requires students to complete the Magis Common Core, Heider Business Core, a Heider Major,
and Electives, as needed, to reach the minimum of 128 credit hours. For students in the 3-3 Pre-Law program, a Heider Major is not required.

**Magis Common Core**
The Magis Common Core serves as the cornerstone of Creighton University education, laying a shared foundation for all undergraduate students. Heider students typically complete Magis Foundations and Magis Explorations courses in their first and second years. The Magis Common Core also requires a series of Designated courses, which are embedded in the Heider Business Core and provide business-specific treatment of Ethics, Oral Communication, Written Communications, Statistical Reasoning, and Technology.

**Heider Business Core**
The Heider Business Core requires students to complete a common set of courses across a wide variety of business topics, disciplines, and functional areas. Lower Division courses cover accounting, economics, business law, information systems, and organizational behavior. Upper Division courses cover finance, marketing, production and operations management, business ethics, and leadership. BUS 471 Strategic Management is a capstone course for all Heider students.

Students are also required to complete General courses in the Heider Business Core, including business writing skills, presentation skills, statistics, and analytics.

Students pursuing the 3-3 Pre-Law program are not required to complete a Kingfisher Concentration.

**Electives**
As needed, students will complete electives to reach the minimum of 96 credit hours required prior to matriculating to the Creighton University School of Law.

### BSBA Heider Mindset Curriculum (3-3 Pre-Law) - Sample Plan of Study

Outlined here is a sample of a program that a student may follow in the first three years prior to matriculation to the School of Law in the fourth year. Bear in mind that each student’s actual plan will vary based on their unique circumstances.

The Heider College of Business Dean’s Office has available curriculum checklists for all majors. Course planning requires an understanding of degree requirements and attention to the Schedule of Courses and Catalog.

Academic advising is performed by faculty members and department chairs in the Heider College of Business. During a student’s freshman year, students are assigned to faculty advisors through the RSP. Later, students are reassigned to advisors within the respective discipline when a major field of concentration has been declared. Advisors serve as facilitators of communication, perform academic progress reviews, assist students in career planning, and offer mentoring. Frequent advisor contact will help ensure students have current academic information and are making adequate progress toward educational and professional goals.

---

1. All Heider students are strongly encouraged to complete a Philosophical Ethics course (PHL 270 Philosophical Ethics, PHL 271 Philosophical Ethics: Cortina Community, or PHL 272 Philosophical Ethics: Poverty) because any of these courses fulfill both the Magis Common Core: Ethics requirement and the prerequisite for BUS 356 Business Ethics. Courses in Theological Ethics (i.e., THL 27X) do not fulfill the prerequisite for BUS 356 Business Ethics.

2. All Heider students are required to complete CSC 121 Computers and Scientific Thinking to fulfill the Magis Common Core: Understanding Natural Science requirement.

3. All Heider students are required to complete PSY 201 Introductory Psychology to fulfill the Magis Common Core: Understanding Social Science requirement.

and active learning, students leave the Heider College prepared to start their careers in their chosen majors, with an eye to leadership and higher-level management in those areas. All of this is grounded in the Jesuit tradition that stimulates students to think logically, process and evaluate information, and make sound decisions.

How do students choose a major? A number of factors inform the decision, including work and internship experiences, family occupations and family-owned businesses, favorite courses, and the student's natural skills and talents. Students are encouraged to discuss possible majors with their academic advisors, as well as with the faculty offering courses in specific majors. The Career Portfolio program is helpful, too, as it informs students about their aptitudes, as well as the jobs, career ladders, and compensation in various fields.

Students may earn multiple majors by satisfying the requirements for each as shown in the Catalog. If a specific course satisfies the requirements of more than one major, that course may be counted toward fulfillment of each set of major requirements. Unless otherwise specified, only one common class may be shared between majors.

**BSBA, JD, MBA—Seven-Year Program**

Qualified students who want to earn three degrees (BSBA, JD, and MBA) within a seven-year period can do it by following the 3-3 Pre-Law program described above and in the seventh year enrolling in the MBA program. These programs provide an excellent preparation for employment in either the private or public sector of the economy.

**Bachelor of Science in Business Administration Degree (BSBA)**

**Majors**

Students in the Heider College of Business pursuing the BSBA must complete an academic major in one of the following fields of concentration: Accounting, Business Intelligence & Analytics, Economics, Finance, Finance & Technology, Management, Marketing, or International Business.

It is recommended that students select a major by the end of the first semester of their junior year. A major must be officially declared prior to the student's final semester. Some majors require departmental approval and have acceptance requirements that differ from general graduation requirements. Detailed requirements for each major may be found at the following links:

In each field, instructional emphasis is not directed toward the development of routine skills or to particular industries. Instead, every effort is made to stimulate students to think logically, to process and evaluate information, and to make sound decisions from the overall management point of view.

With more than 500 years of collective business experience, the faculty teaching in every major provide students with discipline-based skills, as well as industry knowledge. Due to experiential teaching methods and active learning, students leave the Heider College prepared to start careers in their chosen majors, with an eye to leadership and higher-level management in those areas. All of this is grounded in the Jesuit tradition that stimulates students to think logically, process and evaluate information, and make sound decisions.

How do students choose a major? A number of factors inform the decision, including work and internship experiences, family occupations and family-owned businesses, favorite courses, and the student's natural skills and talents. Students are encouraged to discuss possible majors with their academic advisors, as well as with the faculty offering courses in specific majors. The Career Portfolio program is helpful, too, as it informs students about their aptitudes, as well as the jobs, career ladders, and compensation in various fields.

Students may earn multiple majors by satisfying the requirements for each as shown in the Catalog. If a specific course satisfies the requirements of more than one major, that course may be counted toward fulfillment of each set of major requirements. Unless otherwise specified, only one common class may be shared between majors.

**BSBA 3-3 Pre-Law/JD Program**

In addition to the major fields of concentration, the Heider College of Business, in conjunction with the School of Law, offers a combined Business Administration-Law program (p. 6) requiring a total of six years—which leads to both the BSBA with the Prelaw Business Major and the Juris Doctor degrees.

**Majors outside of the Heider College of Business for BSBA Students**

Students in the Heider College of Business may complete an additional field of concentration or minor. Departments in the College of Arts and Sciences ([http://catalog.creighton.edu/undergraduate/arts-sciences/](http://catalog.creighton.edu/undergraduate/arts-sciences/)) may, at their discretion, allow a BSBA student to complete a second major. The second major is in addition to the BSBA degree; students do not, however, receive a BA or BS degree from the College of Arts and Sciences. Requirements of the field of concentration or major are listed in each department’s entry in the catalog. To apply for an additional field of concentration, major, or minor the student should contact the Dean's Office for appropriate advising and referral.

**Minors**

Minors offer the opportunity to develop substantial knowledge in areas outside of the major. Eighteen (18) credits of coursework are required to complete a minor. A student may transfer into a minor no more than two lecture courses for six (6) credits or two lecture/laboratory courses for eight (8) credits. Transfer courses must meet equivalency requirements as approved by the College and Department Chair. Students must achieve a cumulative GPA of 2.00 in courses toward the minor.

**Minors for BSBA Students**

Business Administration students may only declare an Economics minor in the Heider College of Business, but may choose a minor in a department outside of the Heider College of Business, given appropriate approval and advising. A complete list of minors available to students outside the Heider College may be found here ([http://catalog.creighton.edu/undergraduate/arts-sciences/](http://catalog.creighton.edu/undergraduate/arts-sciences/#minorstext)).
Minors for non-BSBA Students

Students from the other undergraduate Colleges may pursue any of the following Heider College of Business minors, given appropriate advising and approval.

- Applied Information Technology (http://catalog.creighton.edu/undergraduate/business/accounting-bia/applied-it-minor/)
- Business Administration (http://catalog.creighton.edu/undergraduate/business/business-administration-minor/)
- Economics (http://catalog.creighton.edu/undergraduate/business/economics-finance/economics-minor/)
- Social Entrepreneurship (http://catalog.creighton.edu/undergraduate/business/marketing-management/social-entrepreneurship-minor/)

Kingfisher concentrations BSBA students

A unique feature of the Heider Business Core is the required Kingfisher Concentration, named after Creighton's Kingfisher Institute, whose vision is that "liberal arts and professional education complement and reinforce one another." The purpose is to encourage students to find an area of depth that supports growth in at least one Heider Mindset, allows personalization of liberal arts coursework, and complements a student's choice of major. Heider College of Business students must complete a Kingfisher Concentration comprised of at least nine credit hours (typically three courses) drawn from an academic minor or another approved area of concentration in the College of Arts & Sciences. When choosing a Kingfisher Concentration, students are encouraged to seek guidance from their academic advisor.

Kingfisher Concentrations for BSBA Students*, offered by the College of Arts & Sciences, may be accessed here (http://catalog.creighton.edu/undergraduate/arts-sciences/kingfisher-concentration/).

* Information on available Kingfisher Concentrations for Non-BSBA students may be accessed here (http://catalog.creighton.edu/undergraduate/business/kingfisher/).

Business Administration Certificate

Students enrolled outside of the Heider College of Business, who do not plan to earn a Bachelor’s degree from the Heider College of Business, may earn an Undergraduate Certificate in Business Administration. This certificate, along with a bachelor’s degree in any discipline, prepares a non-business student for graduate work in the MBA (http://catalog.creighton.edu/graduate/graduate-programs-courses/master-business-administration/), MS-Analytics (http://catalog.creighton.edu/graduate/graduate-programs-courses/business-intelligence-analysis/analytics-ms/), MFin (http://catalog.creighton.edu/graduate/graduate-programs-courses/finance/), and MIMFA (http://catalog.creighton.edu/graduate/graduate-programs-courses/finance/). Students wishing to complete this program must file an application with the Undergraduate Advising Office in the Heider College of Business.

Certificate requirements: 31 credits

1 Please note: The 31 required certificate hours is the maximum number of credits in which a non-business student may enroll in the Heider College of Business.

While no specific mathematics courses are required for the certificate, successful completion of BIA 261 Business Analytics will necessitate mathematical proficiency equivalent to MTH 161 Business Statistics and either MTH 141 Applied Calculus, MTH 245 Calculus I, or MTH 231 Calculus for the Biological Sciences.

Of the 31 required hours, at most 12 hours of transfer credits may be applied toward the Business Administration Certificate. Once a student has matriculated to Creighton, only 6 of the 12 transfer hours allowed may be taken as transient study. In addition, the student must attain a cumulative GPA of 2.0 or better in all business courses.

Degree seeking students who have completed the requirements of the certificate will be awarded the Certificate in Business Administration at the time of graduation. Non-degree seeking students will be awarded the certificate upon completion of the requirements of the certificate.

Accelerated BSBA to Master’s Programs

Creighton University also offers accelerated Master’s Programs that stem from majors in the Heider College of Business. These programs allow students to earn a BSBA and a Master of Science degree in a shorter amount of time than doing both programs separately.

- Accelerated BSBA-Accounting + MAC (Master of Accounting) (http://catalog.creighton.edu/undergraduate/business/accounting-bia/bsba-acc-mac-amp/)
