

ACADEMIC SUCCESS

The programs and services within Academic Success focus on academic support, student monitoring and retention, and the academic transition to college. Students are encouraged to take advantage of:

- Our nationally certified **Tutoring Program**, offering drop-in Math and Chemistry tutoring, appointment-based individual tutoring for most subjects, and collaborative learning sessions.
- Individualized **Academic Counseling and Coaching**, where students learn tips and strategies appropriate for their learning styles and personal academic goals.
- **Workshops and Seminars** that teach strategies to help students understand and manage the academic rigor of Creighton. These focus on time management, test anxiety, exam prep, and other fundamental study skills.
- **Academic Strategy Courses**, which are credit-bearing courses designed to help students understand their strengths and areas for improvement as learners.
