

ASSOCIATE DEGREES

A candidate for an Associate in Science degree in EMS must have earned 72 semester hours. Students who earn an associate degree may continue on for a bachelor's degree. All work completed in an associate degree program can be applied toward a bachelor's degree.

At least 32 hours for the Associate in Science must be completed in residence at Creighton University. At least 15 semester hours in the major field must be completed at Creighton.

Associate Degree Requirements: 72 Credits

Associate in Science in Emergency Medical Services

- Emergency Medical Services (<http://catalog.creighton.edu/undergraduate/professional-studies/emergency-medical-services-as-ems/>)

Degree-seeking students enrolled through the College of Professional Studies are required to complete CPS 200: Making the Transition to College. Students who have successfully completed RSP Culture of Collegiate Life and inter-college transfer to CPS are not required to complete this requirement.
