LOAN PROGRAMS

Long Term Loans

Health Profession Student Loan
To qualify for assistance under this program a student must demonstrate financial need as determined by the Free Application for Federal Student Aid Form. By Federal law, the maximum loan that may be awarded per academic year is $2,500 plus tuition. The maximum annual award provided at Creighton may range from $10,000 to $25,000. Interested students must complete the FAFSA Form, and, in all cases, parents’ financial aid information must be included regardless of status. No awards may be made to a student under this program unless parents’ information is provided. The loan is repayable over a ten-year period, which begins one year after the student ceases to pursue a full-time course of study. The loan carries an interest rate of five percent which does not start to accrue on the principal until repayment commences. There are several deferment and forbearance options that are explained in detail on the promissory note.

Federal Direct Unsubsidized Student Loan
The Federal Direct Unsubsidized Student Loan is a long-term loan students borrow through the U.S. Department of Education. All applicants must file a FAFSA before eligibility can be determined. A student’s maximum eligibility will be indicated on their award notification. Dental students may borrow up to an aggregate maximum of $224,000, minus any Federal Direct Subsidized and Unsubsidized Loan amounts (including undergraduate borrowing).

There will be an origination fee deducted from each disbursement, which will be indicated on the promissory note. Interest begins to accrue at the time of each disbursement. Repayment begins six months after a student graduates, leaves school or drops below half-time enrollment.

Instructions to complete the Master Promissory Note (MPN) and online entrance counseling will be included with the award notification email. Please review the information on the promissory note for deferment and forbearance options.

Federal Direct Grad Plus Loan
This federal loan program allows graduate and professional students to borrow the cost of education less other financial aid. Students must complete the FAFSA in order to borrow these loan funds. A good credit history is required to borrow through the Federal Direct Grad PLUS program.

There will be an origination fee that is deducted from each disbursement. Interest accrues while the student is enrolled in school and repayment begins 6 months after a student graduates, leaves school, or drops below half-time enrollment. Application information will be provided with the student’s award email.
