

ORAL BIOLOGY, DENTAL MATERIALS TRACK - M.S.

Oral Biology: Dental Materials track course requirements (36 credits):

Code	Title	Credits
MOB 500	Dental Materials/Dental Anatomy Lecture I	2
MOB 501	Dental Materials/Dental Anatomy Laboratory I	2
MOB 502	Polymer Chemistry	3
MOB 503	Special Problems in Dental Materials I	1
MOB 504	Dental Materials Dental Lecture II	2
MOB 505	Dental Materials Dental Lab II	1
MOB 506	Introduction to Biostatistics and Its Applications	2
MOB 507	Polymer Chemistry Laboratory	3
MOB 508	Special Problems in Dental Materials II	1
MOB 600	Teaching Practicum in Dental Materials	2
MOB 601	Mechanical Behavior of Materials	2
MOB 602	Special Problems Dental Materials III	1
MOB 603	Research for the Master's Thesis	3
MOB 604	Teaching Practicum in Dental Materials	2
MOB 605	Advanced Biomaterials Science	2
MOB 606	Special Problems in Dental Materials IV	1
MOB 700	Research for the Master's Thesis	6
Total Credits		36
