

JD/MBA DUAL DEGREE

See the Graduate Business Programs Office and the School of Law for complete details and requirements.

The Master of Business Administration (MBA) degree offered through the Heider College of Business paired with the Juris Doctor (JD) degree from the School of Law prepares students for a myriad of professional opportunities through a rigorous academic curriculum with practical experience in business. Students benefit from an interdisciplinary learning environment while completing two degrees simultaneously with fewer credits than if each degree were completed separately. Individuals seeking admission to the dual program must apply to and be admitted separately by both the Heider College of Business and the School of Law. The first year of study is devoted strictly to law courses. Law students must also submit a "Notice of Intent" form to the Associate Dean of the Law School prior to enrolling in their first MBA class. This ensures that law students understand the academic rules pertaining to the JD degree.
