

MD/PHD DUAL DEGREE PROGRAM

MD/PhD

The **MD/PhD** program's objective is to train physician-scientists to be an integral component of the healthcare system, now and into the future.

Training such individuals is as unique as the expectations for successful trainees:

- Provide excellent patient care.
- Lead discovery in disease focused biomedical research.
- Promote translational research with accelerated progression of discoveries to the bed-side.
- Be a leader in biomedical research and healthcare delivery.

Please review the following sources for a complete explanation of the MD/PhD program, curriculum, and application process.
