

# GRADUATION RATES

---

Creighton University is pleased to provide information regarding our institution's graduation/completion rates, in compliance with the Higher Education Act of 1965, as amended. To request this graduation rate information, please contact the University Registrar at 402.280.2702 or [registrar@creighton.edu](mailto:registrar@creighton.edu).

The School of Pharmacy and Health Professions at Creighton University reports graduation rates for each program based on attrition information. Students entering the Doctor of Pharmacy program between the years of 2016–2019, with the 2019 entering class graduating in 2023, averaged a graduation rate of approximately 88 percent.
