

# MEDICAL ANTHROPOLOGY MINOR

The Medical Anthropology minor introduces students to the factors that influence health and well-being, the experience and distribution of illness, the prevention and treatment of sickness, healing processes, therapy management, and the cultural importance of having multiple medical systems.

**Note:** *Students who are Nursing (NUR) majors should follow the "Medical Anthropology Minor for Nursing Students" curriculum specifically approved for this track (see below).*

## Minor in Medical Anthropology Requirements: 18 Credits <sup>1</sup>

Code	Title	Credits
Select one of the following Introduction courses:		3
ANT 111	Introduction to Anthropology: Human and Cultural Diversity	
ANT 112	Introduction to Anthropology: Culture, Ecology and Sustainability	
ANT 113	Introduction to Anthropology: Social and Cultural Determinants of Health
