

STUDIO ART, B.A.

Studio Art Learning Outcomes

- **Foundational Knowledge:** Students will develop foundational knowledge and skills in process-based research for studio art applications to create sound forms of artistic expression.
- **Proficient Knowledge:** Students will demonstrate proficient knowledge in at least one specific studio art discipline as it pertains to mature concept development, process-based research, and sound forms of artistic expression.
- **Develop Visual and Verbal Communication Skills:** Students will develop the necessary visual and verbal communication skills for professional employment, entrepreneurial endeavors and/or postgraduate study in the visual arts or related field.
- **Develop Historical, Political and Ethical Perspectives:** Students will demonstrate understanding of historical, political, and ethical traditions of Visual Art and its application to individual expression, cultural awareness, and ethical integrity.
- **Professionalism:** Students will gain the necessary skills and experience to establish their own studio practice through the development of critical thinking and creative problem-solving skills applicable to a chosen discipline or professional field.

Specific Requirements for Admission to the Studio Art Major

- Successful completion of at least one ART course and acceptable portfolio review.
