Kingfisher concentrations BSBA students
A unique feature of the Heider Business Core is the required Kingfisher Concentration, named after Creighton's Kingfisher Institute, whose vision is that "liberal arts and professional education complement and reinforce one another." The purpose is to encourage students to find an area of depth that supports growth in at least one Heider Mindset, allows personalization of liberal arts coursework, and complements a student's choice of major. Heider College of Business students must complete a Kingfisher Concentration comprised of at least nine credit hours (typically three courses) drawn from an academic minor or another approved area of concentration in the College of Arts & Sciences. When choosing a Kingfisher Concentration, students are encouraged to seek guidance from their academic advisor.

Unless otherwise prescribed in the links below, fulfillment of the Kingfisher Concentration requires completion of at least nine credit hours from one of the following minors offered by the College of Arts & Sciences.
