

B.S., PHYSICS TO M.S., PHYSICS ACCELERATED MASTER'S PROGRAM

Accelerated Master's Program (AMP): Bachelor of Science, Physics / Master of Science, Physics

This accelerated M.S., Physics degree program for students in the B.S., Physics program will allow students to begin earning credits toward the M.S., Physics degree during their final semesters in the B.S., Physics degree program.

Degree Requirements

1. B.S., Physics requirements (<https://catalog.creighton.edu/undergraduate/arts-sciences/physics/physics-bs/>)
2. Plan of Study below during the final semesters of the B.S. degree
3. Remaining M.S., Physics requirements (<https://catalog.creighton.edu/graduate/graduate-programs-courses/physics/physics-ms/>)

Course	Title	Credits
Senior		
Fall		
PHY 491	Physics Seminar	1
PHY 500-Level Elective		3
PHY 611 or PHY 621	Classical Mechanics or Electromagnetic Theory	3
Term Credits		7
Spring		
PSY 500-level Elective		3
PHY 631 or PHY 641	Quantum Mechanics I or Statistical Mechanics	3
PHY 791	Graduate Seminar	1
Term Credits		7
Total Credits		14
