---

Students in the Heider College of Business who are pursuing a Bachelor of Arts in Business Administration will select a major from the Accounting and Business Intelligence and Analytics, Economics and Finance, or Marketing and Management offerings.

Students who are not Heider College of Business students may pursue a Business minor or a Certificate in Business Administration. These options provide a good introduction to the general functional areas of business to students who are enrolled in the College of Arts and Sciences, the College of Nursing, or the College of Professional and Continuing Education. Contact the Assistant Dean for Undergraduate Programs with any questions regarding the minor or certificate in Business Administration.
