Academic Director: Margarita Dubocq  
Campus Coordinator: Jill Muegge, Global Engagement Office

## Encuentro Dominicano is Creighton University's premier academic service-learning program in the Dominican Republic.

Encuentro Dominicano (<https://www.creighton.edu/geo/ilac/encuentro/>) centers around service-learning and building community with fellow students and Dominicans – all while experiencing the rich and vibrant culture of the Dominican Republic. Participants will experience service, academic life, and immersion trips living and working with Dominican families in a rural community. Encuentro embodies the Jesuit mission of promoting justice, striving for excellence, and dedication to the truth.

For more details visit the Encuentro website (<https://www.creighton.edu/geo/ilac/encuentro/>).

## Service-Learning

Encuentro Dominicano employs service-learning pedagogy through weekly volunteer service in the city of Santiago (<https://www.creighton.edu/geo/ilac/encuentroaboutthecurriculum/servicelearning/>), (<https://www.creighton.edu/geo/ilac/encuentroaboutthecurriculum/servicelearning/>) as well as two cultural immersions in local campo communities (<https://www.creighton.edu/geo/ilac/encuentroaboutthecurriculum/campoimmersions/>). (<https://www.creighton.edu/geo/ilac/encuentroaboutthecurriculum/campoimmersions/>) Ample opportunity is provided for guided reflection on all that students experience during their time in the Dominican Republic.

## Life in the Dominican Republic

Encuentro students will live in dorms on the Misión ILAC campus that house four to six students per room. The ILAC Center (<https://www.creighton.edu/geo/ilac/encuentroabouttheilaccenter/>) is a beautiful, serene, and secure campus located just outside of Santiago city center. The ILAC Center has served the rural campo communities of the Dominican Republic since 1973. All of the international groups that visit the Dominican Republic are assisted by the long standing connections in the country established by the Dominican staff of ILAC/CESI.

In order to help students fully immerse into Dominican culture, Student Life provides free excursions and activities in which students can choose to participate. In the past, cultural activities have included:

- Baseball games to see the local professional team, Las Águilas Cibaeñas
- Tours of the historical museum Casa Museo Hermanas Mirabal
- Trips to the mountains or the beach
