

TRIO STUDENT SUPPORT PROGRAM

TRiO Student Support Services Program

The TRiO Student Support Services (<https://www.creighton.edu/trio/>) Program (<https://www.creighton.edu/trio/>) at Creighton seeks to provide academic, emotional, cultural, and financial support for students who meet established Federal and program guidelines. Enrolled participants receive academic advising, personal and career counseling, tutorial assistance, and assistance in applying for financial aid. TRiO Student Support Services' academic and financial literacy services assist participants with persisting year-to-year, maintaining good GPA standing, and graduating on-time.

In order to be eligible for program services, students must demonstrate need for program services and meet one or more of the following criteria: first-generation student status (neither parent has graduated from a four-year college with a baccalaureate degree); meet income guidelines established by the U.S. Department of Education; or has a disability and needs academic accommodation.

The TRiO SSS offices are located on the second floor of the Old Gym. Call 402.280.2749 for more information.

Creighton TRiO funded programs are a part of the Division of Student Success. Student Support Services is the second oldest of Creighton's five TRiO programs. Creighton is also home to TRiO Upward Bound Classic, Upward Bound Math & Science, Talent Search, and Educational Opportunity Center.
